

## RECOMMENDED LUBRICANTS

### ENGINE AND TRANSMISSION, CARBURETTOR(S), OILCAN

<i>Climatic conditions</i>	<b>Duckham's</b>	<b>Castrol</b>	<b>Esso</b>	<b>Mobil</b>	<b>Shell</b>	<b>BP</b>	<b>Filtrate</b>	<b>Sternol</b>
*All temperatures above -18° C. (0° F.)	Q 5500	Castrolite	Esso Extra Motor Oil 10W/30	Mobiloil Special 10W/30	Shell Super Motor Oil	Super Visco-Static or Visco-Static	Filtrate 10W/30 Multigrade	Sternol W.W. Multigrade 10W/40

Approval for cars other than those fitted with Automatic Transmission is also given to: Duckham's Q. 20-50, Esso Extra Motor Oil 20W/40, Filtrate 20W/50, Mobiloil Special 20W/40, and Castrol XL for temperatures down to -12° C. (10° F.), and to monograde or single-viscosity conventional lubricants supplied by the Companies listed in this chart.

Engine and transmission lubricants for the Automatic Transmission versions are confined to those shown in the main chart. In no circumstances must any additive be introduced into the lubricants recommended for the Automatic Transmission.

\* For temperatures below -18° C. (0° F.) use multigrade S.A.E. 5W/20 oil.

### WHEEL HUBS, WATER PUMP, AND LUBRICATION POINTS

All conditions	Duckham's L.B. 10 Grease	Castrolase L.M.	Esso Multi-purpose Grease H	Mobilgrease M.P.	Shell Retinax A	Energrease L. 2	Filtrate Super Lithium Grease	Ambroline L.H.T.
----------------	--------------------------	-----------------	-----------------------------	------------------	-----------------	-----------------	-------------------------------	------------------

### UPPER CYLINDER LUBRICANT

All conditions	Duckham's Adcoid Liquid	Castrollo	Esso Upper Cylinder Lubricant	Mobil Upperlube	Shell Upper Cylinder Lubricant	Upper Cylinder Lubricant	Filtrate Petroyle	Sternol Magikoyl
----------------	-------------------------	-----------	-------------------------------	-----------------	--------------------------------	--------------------------	-------------------	------------------

### STEERING GEAR

All conditions	Duckham's Hypoid 90	Castrol Hypoy	Esso Gear Oil G.P. 90/140	Mobilube G.X. 90	Shell Spirax 90 E.P.	BP Gear Oil S.A.E. 90 E.P.	Filtrate Hypoid Gear 90	Ambrolineum E.P. 90
